**"Boy Wonder"** ... A local flavour permeates touring show *A Boy Wonder*, which is being brought to Dunedin by former Mosgiel boy Ryan Richards — now an Auckland-based actor. Featuring local culinary icon Jimmy's Pies, *A Boy Wonder* will be performed for a short season at the Fortune Theatre from tonight until Saturday, at 8pm.

Written, performed and co-produced by Richards, *A Boy Wonder* is presented by Sharu Loves Hats and is all about scouts and nothing about scouting. The side-splitting, ridiculous, one-man family-friendly show is set in Roxburgh and centred around saving Jimmy's Pies.
